- |  |     |    |
|--|-----|----|
| 1. Drop the last week of the season.   | YES | NO |
| 2. Three free Partial Game Replacement (PGR) players for the last week of the season from developmental or from free agency. (Alternative to #1)   | YES | NO |
| 3. IR a healthy player 2 times a year for 1 game and bring up a developmental player. A transaction is charged each time this is done.   | YES | NO |
| 4. Add 1 developmental slot to the rosters. Each roster will have 13 players with 1 of the players coming from the developmental squad. Once a player is selected from developmental to fill the slot, any change will cost a transaction. The developmental player may only start 5 times a season. (Alternative to #3) | YES | NO |
| 5. A team may voluntarily IR one top roster player. This player is inactive for exactly four consecutive NFL weeks. His replacement would come from the free agent pool (if #4 passes) or developmental roster or free agent pool if #4 fails.   | YES | NO |
| 6. Team names cannot change for 2 football seasons and cannot change during the football season.   | YES | NO |
