SECOND VOTE ON PROPOSALS

- | | 2010
Vote | 2011
Vote |
|---|--------------|--------------|
| 1. A player cannot be traded more than one time per year to the same owner. | YES | ___ |
| 2. Free agent pickup rules on non transaction weeks: | YES | ___ |
| a. If you are picking up a free agent, open RealTime chat 30 minutes before game time. | | |
| b. Post proxy owner on the message board if you will be unavailable. | | |
| c. Draft order is last place to first place. | | |
| d. Post your pick on message board before adding player to roster. | | |
| e. Return back to RealTime chat before making each additional selection. | | |
| f. Only free agents that play before Sunday are available for pickup prior to their game. | | |
| 3. Posting precedent on starter and backup conflicts. | YES | ___ |
| a. Message Board | | |
| b. Email | | |
| c. Transactions and starters at Rt Sports | | |

4. A violation of any of the IR, suspension, or other rules will be resolved using one of the following methods, starting at the top and working down, stopping at the first resolution that does not, itself, violate an IR/suspension rule. YES ____
- a. The IR/suspended player will be reinstated into the starting roster retroactively and that player's points will be used instead of the replacement player's points.
 - b. If 3 weeks are possible, the 3-week suspension rule will be used.
 - c. A backup player's points will be used (first to last).
 - d. Developmental players - previous week top scorer; if a tie, top name sorted alphabetically.
