

## 2020 PROPOSALS

1. Keep the auto team. YES NO

2. Add text in bold and remove suspension from 11.1, page 7 of rulebook. YES NO

11. A violation of any of the IR, suspension, or other rules will be resolved using one of the following methods, starting at the top and working down, stopping at the first resolution that does not, itself, violate an IR/suspension rule.

11.1. **If an IR violation**, the IR will be reinstated into the starting roster retroactively and that player's points will be used instead of the replacement player's points.

11.2. If 3 weeks are possible, the 3-week suspension rule will be used.

11.3. A backup player's points will be used (first to last).

11.4. A developmental player's points will be used, namely:

a) The previous week's top scorer.

b) If a tie, the first name after an alphabetical sorting of the Developmental Squad.

3. Add to Transaction Charges section, page 5 of rulebook, after number 13. YES NO

A transaction is charged when switching an IR replacement player, except if replacement player is traded or moved up from developmental.

4. Hire an assistant coach. YES NO

If this is approved, you will not have to pick an assistant coach until next transactions.

1) Pick an Offensive or Defensive Coordinator.

2) Pick a coordinator on a team that finished in the bottom half in yardage rank (16-32) the previous year.

3) Draft the coach in Spring Draft.

4) Rewards and Penalty:

Move up or down "X" number of picks from the BBFL team's 2nd round pick in the Spring Draft.

+4 picks = 1st in yardage rank from top

+3 picks = 2nd in yardage rank from top

+2 picks = 3rd in yardage rank from top

+1 pick = 4th in yardage rank from top

-1 pick = 4th in yardage rank from bottom

-2 picks = 3rd in yardage rank from bottom

-3 picks = 2nd in yardage rank from bottom

-4 picks = 1st in yardage rank from bottom

+1 pick = Coordinator hired as head coach, added to the yardage rank picks above.

+1 pick for Super Bowl winning coordinator, added to the yardage rank picks above.

5) If assistant coach becomes NFL head coach, you may hire him as your head coach.

6) Replace assistant coach when he is no longer a coordinator or a coach on the same NFL team.

7) You may replace the assistant coach after 4 years.

For Example on #4:

Barker has the 1st pick in the 2nd round, 10th overall.

If the coordinator was hired as an NFL head coach for 2020 that 10th overall pick would change to a 9th pick of the 1st round, 9th overall. If the coordinator was last in yardage rank then it would be a 4th pick of the 2nd round, 14th overall.
