

Hire a Coach Rules

1. Each team hires a coach from a non-playoff NFL team from the previous year.
2. Developmental slots are added or subtracted based on the performance of the coach's NFL team and your FFL team.
3. You may replace the coach after 5 years.
4. You may not rehire a coach that was automatically fired from your team.
5. Hire a new coach if the NFL team changes their coach.
6. New coaches are hired in the April draft (0A).

COACHES NFL TEAM PERFORMANCE

1. NFL team wins the Super Bowl - 2 extra slots on developmental
2. NFL team reaches the second round of the playoffs - 1 extra slot on dev.
3. NFL team wins 4 games or less - 1 less slot on developmental

FFL TEAM PERFORMANCE

1. Coach is automatically fired - 1 less slot on dev.

AUTOMATICALLY FIRING A COACH

1. 5 consecutive years out of the green zone(1st, 2nd, 3rd)
2. 3 out of 4 years in the red zone (7th & 8th)
3. A coach is automatically fired if the FFL team's ranking is greater than 8pts or 11pts, for first year coaches, from the 7th place team.
4. If the same owner has the 7th and 8th place teams the 7th place team's coach is automatically fired if the FFL team's ranking is greater than 7pts or 10pts, for first year coaches, from the 6th place team.
5. Hiring a coach after the previous coach was automatically fired restarts the counting.
